Digital Operations

Kia ora,

ACC is trialling applying an annual price up-lift on **1 July** for as many as possible of its contracted services, rather than staggering them throughout the year.

Price uplift variations for **Allied Health Services, Clinical Psychiatric Services, Non-Acute Inpatient Rehabilitation, Non-acute Inpatient Rehabilitation Pathways (NARP) and Rural GP Practice** (which has also had its end date extended to 30 June 2024), **apply from 1 July 2023**. Non-acute Inpatient Rehabilitation Pathways (NARP) also has one new service item (NRPTC) and its end date extended to 30 June 2026. Sincere apologies for the late notice of this new code. **That completes all of the 1 July price up-lifts.**

The latest PMS code list spreadsheet can be found here:
