Password will follow in a separate email.

Cost of Treatment Regulation providers will be notified before the end of April that they'll be able to lodge higher payment rates with us from 1 June 2024.

We trust that by telling you about these changes now, you'll have time to implement the updates required to support your customers by **1 June**.

Please ensure your customers are aware of the steps required to update this pricing.

If you have any questions, please email us at digitaloperations@acc.co.nz.
