Digital Operations

Kia ora,

A price rounding error has been discovered for Specified Treatment Providers treatments under the Cost of Treatment Regulations. The GST inclusive price for 50 mins face-to-face time by specified treatment providers is \$66.11 not \$66.12. Apologies once again for any inconvenience caused by this error.

The Cost of Treatment Regulations pricing was effective 1 June.

With regard to contracted services price uplifts, all suppliers have now been notified of price variations. The new Rural General Practice contracts are in the process of being issued to suppliers and Hyperbaric Oxygen, which is also a new contract rather than a date extension, will be issued by the end of this week.
