Kia ora,

ACC is trialling applying an annual price up-lift on 1 July for as many as possible of its contracted services, rather than staggering them throughout the year.

Therefore, this notification contains the price up-lift variations applying from **1 July 2023** for the following services: **Burns & Scar Management Services, Clinical Services, Elective Surgery**, Elective Surgery (60%) (the "Prices for 2 or more procedures" tab has also been updated, accordingly), **General Practitioner - Special Interest (GPSI), Hyperbaric Oxygen, ISSC** (note that SCRR1 and SCRRT1 are retired from 1 July), **Orthotists Services, PRIME services & Psychological Services.**
