Digital Operations

Kia ora,

Attached is the latest PMS notification, primarily to notify the date extension to 10 April 2023 of the co-payment codes introduced recently in response to Cyclone Gabrielle.

Please also carefully check the Document Control for information relating to a price correction to the NPDNA code on the Neuropsychology Assessment contract, and amendments to Maternal Birth Injuries and Cost of Treatment Regulations.

The latest PMS code list spreadsheet can be found here:

[Copy of PMS code list v17 06 15 March 23.xlsx](#)

Password will be sent in a separate email.

Any queries can be directed to digitaloperations@acc.co.nz

Ngā mihi
