

Q&As - ICPMSK Software Vendor update - Service overview webinar #1

| Question | Who Asked | Response |
|--|------------------|---|
| Will the recording be shared along with the slides? | Lachlan Chirgwin | Yes, confirming the recording of this session and the slide deck will be made available. If not today, early tomorrow. |
| From a holistic overview with those dates, the dates that you given us and the clarity around those is awesome for that March target. Is your pathway still looking or your road map still looking accurate? | Lachlan Chirgwin | Yes, absolutely. We are updating our dates and timelines all the time and we are targeting for the new contract to go live 4th of March 2023. |
