

Q&As - ICPMSK Software Vendor update - Service overview webinar #1

Question	Who Asked	Response
The exchange of information would be very useful for all claims please (observation).	Barb King (observation)	I've got that as an opportunity on my backlog. There's a few hoops to get through to make that available, but can certainly see the value in that.
Will the recording be shared along with the slides?	Lachlan Chirgwin	Yes, confirming the recording of this session and the slide deck will be made available. If not today, early tomorrow.
Are you still using read codes for diagnoses?	Sinclair Hughes	Yes. So at the moment we are supporting read codes.
