Cyclone Gabrielle support clarification; 2 x Non-contracted services price increase; and 2 changes on Neuropsychological Services contract

To provide clarification, the co-payment reimbursement codes in document control V17.04 notice above, now note in the "Price Comment" column that the actual cost of the co-payment should be billed up to the maximum \$ specified.

Two non-contracted services (RN10 and DET), whose costs are pegged to similar Cost of Treatment Regulations services, will also have a price up-lift from 1 April 2023.

The Neuropsychological Services contract is introducing a new code for test materials (NP110) from 1 May 2023. The price of NPDNA is also increasing from this date. A price uplift for the other services under this contract is also due on 1 May, but these are still to be approved and will be notified as soon as possible.
