Digital Operations

Kia ora PMS Vendors,

Your support teams may experience an influx of requests from your primary care customers in the Hawke's Bay and Gisborne areas, seeking assistance with adding a new ACC invoice service item code into their system.

New Code: GENE

Contract Number: 80

Amount: Up to \$57.50 including GST (\$50 excluding GST) per visit

Valid: From 19 February 2023 to 19 March 2023

Applicable for: Primary care practices in the Hawke's Bay and Gisborne areas

ACC messaging is directing providers to contact their PMS vendor support team if they require assistance with this.

This is intended to provide additional support to ACC clients needing access to primary care in the Hawke's Bay and Gisborne areas following Cyclone Gabrielle by funding an additional amount to cover the co-payment cost for all injury-related general practice and urgent care clinic visits.

This extra payment will be made in addition to usual consult fees.

If you have any questions regarding this email, please contact digitaloperations@acc.co.nz

Ngā mihi,

ACC Digital Operations
